

Lea Valley Primary School - Governing Body Register of Interests Form - School Governors 2021/2022

The governing body and school staff have a responsibility to avoid any conflict between business and personal interests and the interests of the school. To help put this duty into practice and to meet legal requirements, all maintained schools maintain a register of interest. The register will ensure that governors' and Associate Members personal interests do not unfairly prejudice, influence, or conflict with the school's decision-making processes.
